

# cave paintings of a homo galactian

Justin Orvis Steimer

8 September — 9 October 2016

New York, September 8, 2016 – CATINCA TABACARU GALLERY is proud to present cave paintings of a homo galactian, a solo exhibition by roster artist Justin Orvis Steimer and the artist's second solo with the gallery. Debuting a new series of paintings on boat sails, the exhibition continues Steimer's exploration of the spirit, translating energy into an ever-evolving vocabulary. In the words of Piet Mondrian, "the artist is essentially a channel" – to the divine.
